

Description

A comprehensive family of jack-faceplate assemblies, offering a wide variety of jacks, jack layout, connectors and colors.

Features

- Smooth, non-textured surface, painted head screws and rounded corners for a sleek, clean appearance
- Designed to eliminate the need for mounting brackets
- Choice of four or six conductor styles
- Choice of connector types (screw terminals or filled splice connectors)
- Choice of dry connectors or CorroShield® (gelled) versions for long-lasting corrosion protection
- Some assemblies available with spring-loaded trap door for additional protection
- Duplex models available in East/West (side by side) or North/South (top/bottom) orientations

Product Information

Suttle Part Number	Description
-----------------------	-------------

Series 2-1000 Flush Duplex East/West (625D Style)

2-1001-xx	Duplex, (2) 6 Position - 4 Conductor, Screw Terminal - East/West
2-1002-xx	Duplex, (2) 6 Position - 6 Conductor, Screw Terminal - East/West
2-1013-xx	Duplex, (2) 6 Position - 6 Conductor, Filled Splice Connectors, CorroShield® - East/West

Colors (-xx): (-50) Ivory, (-52) Electrical Ivory, (-64) Light Almond, (-85) White - Not every color is available for every configuration

Gelguard™ gel in the CorroShield® products, is a nonhazardous mixture per OSHA's Hazard Communications Standard (29 CFR 1910.1200). An MSDS is not required. A product safety bulletin is available upon request.

Product Information

Suttle Part Number	Description
-----------------------	-------------

Series 2-2000 Flush Duplex North/South (625B3 Style)

2-2021C-xx	Duplex, (1) 6 Position - 4 Conductor, Screw Terminal, (1) "F" Adapter, 3 GHz - North/South
2-2001-xx	Duplex, (2) 6 Position - 4 Conductor, Screw Terminal - North/South
2-2002-xx	Duplex, (2) 6 Position - 4 Conductor, Trap Door, Screw Terminal - North/South
2-2012-xx	Duplex, (2) 6 Position - 4 Conductor, Filled Splice Connectors, CorroShield® - North/South
2-2013-xx	Duplex, (2) 6 Position - 4 Conductor, Trap Door, Filled Splice Connectors, CorroShield® - North/South
2-2014-xx	Duplex, (2) 6 Position - 6 Conductor, Screw Terminal, CorroShield® - North/South
2-2003-xx	Duplex, (2) 6 Position - 6 Conductor, Screw Terminal - North/South
2-2008-xx	Duplex, (2) 6 Position - 6 Conductor, Screw Terminal - North/South - Oversized Plate
2-2016-xx	Duplex, (2) 6 Position - 6 conductor, Filled Splice Connectors, CorroShield® - North/South
2-2030-xx	Duplex, (2) 4 Position - 4 conductor, Filled Splice Connectors, Loop Wiring (Bridged) - North/South
2-2020C-xx	Duplex, (2) "F" Adapters, 3 GHz - North/South

Series 2-3000 Flush Simplex (625B, 625B1, Or 625B4 Style)

2-3001-xx	Simplex, 6 Position - 4 Conductor, Screw Terminal
2-3002-xx	Simplex, 6 Position - 4 Conductor, Trap Door, Screw Terminal
2-3010-xx	Simplex, 6 Position - 4 Conductor, Screw Terminal, CorroShield®
2-3012-xx	Simplex, 6 Position - 4 Conductor, Filled Splice Connectors, CorroShield®
2-3013-xx	Simplex, 6 Position - 4 Conductor, Trap Door, Filled Splice Connectors, CorroShield®
2-3003-xx	Simplex, 6 Position - 6 Conductor, Screw Terminal
2-3004-xx	Simplex, 6 Position - 6 Conductor, Trap Door, Screw Terminal
2-3020C-xx	Simplex, "F" Adapter, 3 GHz

Colors (-xx): (-50) Ivory, (-52) Electrical Ivory, (-64) Light Almond, (-85) White - Not every color is available for every configuration
