# Supro 20 Rack Cover

Constructed of translucent white, mesh-reinforced PVC, the Supro 20 provides heavy-duty protection in commercial and retail environments.

- Protect against flying pests, airborne contaminants, pilferage, spills and more
- 23" x 28" x 62" fits all full-height bakery and bun racks
- Reinforced seams with vinyl facing and triple-reinforced corners for maximum strength
- All materials are flame retardant and tear resistant
- Remains flexible and durable even at low temperatures
- Heavy-duty nylon zippers on all four sides provide easy access on both end-load and side-load racks
- Hook & Loop fasteners can be substituted for zippers
- Nylon hanging loop for convenient storage.
- Clear card pocket for easy identification and orientation
