

Kleen-Pail® Pro™

Dedicated non-food container for cleaning and sanitation.

Kleen-Pail® Pro™ color-coded pails eliminate confusion between cleaning and sanitizing solution containers. Kleen-Pail Pro's patented, curved shape allows for easy pouring, with molded-in handles for more control. Embossed lettering ensures the pail complies with health code, and the trilingual design aids in employee training. NSF approved, the pail is dishwasher safe, easy to clean, and fits into any HACCP plan.
