

## URD-Primary Underground Distribution Cable, 35kV TR-XLPE Insulation, 100% Insulation, Concentric Neutral

### Product Construction

**Conductor:**

- 1/0 AWG Class B compressed

**Conductor Shield:**

- Semi-conducting, thermosetting, super smooth conductor shield

**Insulation:**

- TR-XLPE insulation, 35kV, 100% coverage

**Thermoset Shield:**

- Semi-conducting, thermosetting

**Neutral Conductor:**

- 16 x #14 bare copper concentric neutral wires

**Jacket:**

- Black encapsulating linear low density Polyethylene Jacket with three longitudinal red stripes

Part #	AWG	Stranding	Nominal O.D. Over Conductor	Nominal O.D. Over Insulation	Nominal O.D. Over Insulation Shield	Nom. O.D. Overall Jacket	Lbs./M'
MUP31/001A	2	7	.175"	10X14	.752"	.990"	482

\*Accessories are available for all medium voltage products.
