

Composite Cable, 75°C, 300 Volt, Plenum rated, CMP

Product Construction

Construction:

- 2 Parts:
- 22AWG stranded BC 1 PAIR, Shielded
- 18 AWG 41 strand BC 2 C, Unshielded

Conductor:

- Stranded Bare Copper

Insulation:

- 22 AWG DATA PAIR: Fluoropolymer
- 8 AWG POWER: LS-PVC

Shield/Drain:

- (DATA PAIR) Foil shield, foil in; 24 AWG stranded tinned copper drain wire

Jacket:

- LS-PVC; White with green stripe

Applications

- Wiring for keypads and touch-panel controls and other human interface device
- Compatible with Lutron lighting systems

Standards

- 75°C, 300 Volt
- Plenum rated
- UL Type CMP
- RoHS Compliant
