

RG59/U Coaxial & 18 AWG, Siamese Construction, Shielded Pair, UL CL2, CATV, CM, c(UL) CM

Product Construction

Conductors:

- Copper per ATSM B-3
- Twisted pair color code: black and red

Insulation/Core:

- Foam Polyethylene (PE) design

Shield:

- Bare copper braid
- Flexoil® shield

Jacket:

- PVC compound

Applications

- Suitable for RF signal transmission
- MATV
- CATV
- CCTV
- Local Area Network
- Monitor VDT display

Coaxial Cable
